

Building Hope Diocesan Pastoral Renewal

Reflection and Update

Archbishop Dermot Farrell together with other members of the diocesan leadership have given very careful consideration to the feedback from parishes regarding the “Building Hope” initiative. Click *(on the digital version of the newsletter)* [here](#) for the complete diocesan report.

Framework for Pastoral Renewal

We provide a summary of the feedback from our parish again this week. This complete feedback submitted to the diocese along with consultation with parish leadership, is being used to plan the future structure of the diocese. The outcome of this process, one element of which is to identify partnerships among parishes, will be communicated in the coming weeks.

Malone Statue

Trinity College
Dublin front gates

Trinity College Chapel

*"The people who walked in darkness
have seen a great light." Isaiah 9:2*

The Walk of Light is an annual pilgrimage or journey, undertaken by members of the many Christian traditions who worship in our city. We walk symbolically as darkness falls on a late afternoon in November, bearing lanterns that shine in the darkness. But behind the symbolism of light scattering the gloom, lies the gospel message of healing and hope that Christ, the light of the world, brings into our lives. As we consider our response as followers of Jesus to issues that concern us all, the impact of war, the economic and the environmental crises, we invite you to join us on our journey as people of faith, rooted in God. Creator of all that is, seen and unseen. Into darkness, great light.

This year's charity will be The Society of Saint Vincent de Paul. Any donations received will go towards the work carried out by this wonderful organisation.
